### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The prior art when taken separately or combined fails to teach and/or show a headlamp optical system having an optical body made of light transmissive material having a cavity with a bulb with an opaque end disposed in the cavity with a reflective surface with a dichroic coating which transmits infrared out the back surface on the rear surface of the optical body and a plastic lens provided with the headlamp assembly as per claim 9. Re claim 10, the prior art when taken separately or combined fails to teach and/or show a headlamp optical system having an optical body made of light transmissive material having a cavity with a convex rear surface with a bulb disposed in a cavity of the optical body and a lens of plastic material positioned in front of and in spaced relationship with the front surface of the optical body

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen F. Husar whose telephone number is 571-272-2371. The examiner can normally be reached on M-W and F from 7:30-4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Sandra O'Shea can be reached on 571-272-2378. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
